## THE LITTLE ROAD

There is a little road for all to follow day by day,  
A road with many sign posts to guide us on our way.  
These sign posts are for all to see, and they are all we need,  
For the journey is a safe one if we go to where they lead.  
This road is straight, but all along are paths we may detour,  
But those who are wise keep their eyes on the road they know is sure.  
The ones who wander in the paths leaving the road behind  
All will learn when they would return the road is hard to find.  
This little road is the road of life, and it will always pay  
To follow where we know is right  
As we go along the way.
