STAND FAST IN THE FAITH...1Corinthians 16:13

How Is Casa Grande Church Doing

Last Tuesday a good friend asked, "How is the Casa Grande Church doing?" I love questions and answers and here is exactly how I answered him!

Casa Grande is making substantial progress in several categories!

We are making good progress regarding our FRIENDLINESS! During our "Hug and Howdy" minutes right before we begin singing once we start greeting each other all over the room it requires a bulldozer to finally move everyone back into some sort of seating arrangement. Even then folks continue to smile at each other and wave back and forth.

We are making progress in BRING OUR BIBLES to church with us! An increasing number hold up bibles and then follow closely along when scriptures are referenced and read. Two or three hold up song books but we know those tricks! We love them too.

We are making progress in FOCUSING ON SHARING THE GOSPEL! The trend of praying to reach out to friends and neighbors, inviting people to worship with us, staying for potluck lunch, etc. is noticeably increasing and improving!

We are making progress in LOVING AND CARING for each other. More calls to each other during the week are being made. Fellowship focus on "one another" is noticed, announced and included in our prayers.

We are making progress in AWARENESS OF OUR PROGRESS! More members are making comments that we are warming up, waking up, singing up, reaching up and staking up for the Lord!

Yes, these were my comments to him. To what degree do you agree?

Jesus loves His Casa Grande church!

So do we! If you agree with this let others know!

John
