## **VACATION BIBLE SCHOOL** **USUAL OR UNUSUAL?**

Small expectations? Only for children and early teens?  
Participation by only those members particularly interested  
or who have young children? Not much involvement by  
others or even significant prayer focus during Sunday  
assemblies. Not many adults asking such questions as,  
“how can I help” nor simply “volunteering?”

Then, after leftover refreshments are packed into the freezer  
for the next year; chairs are repositioned, lights are turned  
out and the VBS easily drifts into a shallow and disappearing  
memory until 365 days later?

Typical? That happens! But wait!! Routine or Opportunity?

- **PRAY** – Every member of every age can and should pray frequently for a God-filled, Jesus-involved, Holy Spirit led BIBLE school! Every assembly and every member praying every day for the opportunity to reach out to others of every age!
- **VISION** - Think big! VBS is so often primarily for children. Reach parents and families as a connection first to children. Fields are still “white unto harvest” if we will look for them!
- **INVOLVEMENT** – Every member doing whatever needs to be done to have a SUCCESSFUL, DYNAMIC, POTENTIAL FILLED SCHOOL!

Sign the sheet on the VBS table! **Jesus and His children are waiting!**

We love this church and every effort!  
In Jesus name, John.
