## **CENSUS AND SENSES!**

June 4,2020 and Today

Wow to those who hide behind black masks of displaced anger and throw beastly bricks and bullets and break-ins while fanning the flames of dysfunctionality.

They hide like an enraged rodeo bull directed only by a desire to force away what it does not want but with absolutely no idea of any positive future beyond 8 seconds.

They are like opportunist African wild dogs who hunt only in groups but turn and run when opposition arrives. Their lack of courage never permits them to stand “toe-to-toe” nor “one-on-one” while their sham of any individual boldness merely causes them to retreat into the cover of darkness.

They stand for nothing good; promote nothing positive and pursue nothing pure.

They have zero understanding of the principles that “we reap what we sow” or “what goes around comes around” while their current ugliness has come around.

Upon returning to the American classroom at the age of 17 I was struck by the truth-statement that “America is great because America is good, but when America ceases to be good, she will cease to be great.”

Let us seek good. Good for one. Good for all. Good for now. Good for the future. Ours now. Our future.

We are in the current citizenry headcount called “census.” Let everyone in our numeric census come into our rational “senses.”

Upon this I stand,  
John Maples.

## **God Commanded**

Often God's will is not easy to obey. These people experienced some of the hard-to-obey commands of God. Match the person with what God told him to do.
